February 2012

President's Message

It's that time of year again. We will be collecting dues for 2012 at the February 14th meeting. Please bring cash or check to the meeting.

Thanks to John Moloko for his decals presentation at the last meeting. John will continue

presenting us with further details about everything you ever wanted to know about creating your own decals. John will be teaching us more about the different types of decal papers for specific types of decals, where to get the paper, how to use photo programs and Microsoft Word, printers and setting up your own library of decal designs. Don't forget to bring a thumb drive or blank CD if you would like a copy of John's designs, free to our members.

Minutes of the Propstoppers Model Airplane Club

January 17, 2012 at the Middletown library

Call to order was at 6:40 PM by Vice-President Eric Hofberg

A visual count showed 15 members present

Minutes of the December meeting were approved by the membership

Treasurer's report by Pete Oetinger was presented to the group

Old Business:

President Seiwel suggested that we avoid the Christian academy field as it is still wet and very soft. He also said that the Elwyn Field is still in good shape and available for flying.

New Business:

Eric Hofberg suggested we make a donation to the library which has served our needs as a meeting place. This was approved by the membership.

Show and Tell:

John Moloko presented an instructional slide show on making colored decals for our models. He showed how to use a computer printer to make a variety of colored text and designs that can be applied to the model surface. He then created a decal on the screen demonstrating all of the steps required. He showed us the types of materials to use for printing the decal that will eventually be placed on the model.

He plans to continue the demonstration at the February meeting.

Adjournment took place at 7:45 PM

Agenda for January 17th Meeting At the Middletown Free Library:

Doors open at 6:00 and the meeting starts at 6:30.

1. Membership Report
2. Finance Report
3. Show and Tell
4. Continuation of John Moloko's decal presentation
